

Athenry Environmental Network

Weekend workshop Sept 20th-21st

Introduction

We are a network of individuals living in and around Athenry Co. Galway, promoting environmental awareness and better living practices for individuals and communities everywhere.

Just a quick reminder that we are kicking off at 10 am on Saturday at the Community hall on Clarke Street Athenry and that Galway County Council have sponsored us between 1000 and 2000 bulbs to plant!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! A big big taskSo all help needed ...bring every shovel and child you can get your hands on
Bulb planting to start at 11am onwards!!!!
