

Photomontage grid ref R 575 912  
elevation 25m above lake level  
distance to Caher 1km  
distance to Ballycroum 5km  
distance to turbines 9km  
max turbine tip elevation 450m

Ballycroum 291m

**giant turbines**

- devalue property
- limit tourism
- degrade our landscape heritage
- damage fisheries birds bog and lake habitats
- emit greenhouse gas from excavated and drained peat
- gamble with bog-slide risk
- open the door to more turbines near you
