### Gerry O'Beirne

Born in Ennis, County Clare, along Ireland's music-rich west coast, Gerry O'Beirne is a renowned singer, songwriter, and multi-instrumentalist (6 and 12 string guitar, tiple, and ukulele, slide guitar among others). Gerry grew up in Ireland and in Ghana in West Africa, and has since lived in England, California, and Mexico. Gerry's own compositions blend the passion found in traditional music with the freshness of contemporary song.

*"He plays guitar like an elephant roller skating through neon grass."*

- composer Harry Williamson

### Sonny Condell

An integral part of the Irish music scene since the early ..70s, a musical career spanning 35 years, from the heady days with "Tir Na Nog" which landed him on the biggest stages in the world, to the truly fantastic "Scullion", numerous solo albums, to his current incarnation with the band "Radar", perhaps one of Ireland's greatest songwriters, Sonny Condell is the real McCoy.

*'Navigation' '...Sonny's languid vocals coloured by a subtle yet tightly woven inhabiting a typically Condellian landscape..'*

- John O' Regan of Irish Music Magazine
