WALKS NOTES JUNE – OCT. 2009.

Mayo Away Weekend 11/12/13th September

Karen is organising the hostel accommodation. There are six rooms in the hostel, each with its own bathroom, with bunkbeds for 2 or 4 persons. Price for hostel is €16 per person per night. In addition there are 2 three-bedroomed apartments adjacent to the hostel. Further details of these can be had from the hostel owners 094-9544028. Karen will be dealing with the hostel bookings. Contact her on 086-0853629 to book a place. Saturday evening meal is available at a local pub about a mile from the hostel.

The main Saturday walk is in the same area we have walked in twice previously (we stayed at Ballinrobe) and includes the final descent of that route, except this time we will be starting the walk by climbing it! A short Sunday walk in the Tourmakeady area will also be available.

Two Mile Gate to Broadford Walk, 27th September

Seamus is organising a minibus to bring us from Broadford to the starting point so please contact him at least 10 days before so that he will know what size bus to book.

A+B Walks Option

Four of the walks on this schedule have a shorter /easier alternative. You should check with the Contact Person for details and to avail of this your car will need to be left at the finishing point at each of the walks. The routes back are clearly waymarked on easily walked track or road.
