

Hedgerow Workshop

On Saturday 7th October 2006 the Hedge Laying Association of Ireland , with support from Crann and the Heritage Council, will be running a Hedgerow Workshop including training in the craft of Hedge Laying.

This will take place on the farm of the Franciscan Brothers at the Agricultural College, Mount Bellew, Co. Galway. The site is adjacent to the college.

The Workshop will include:

- Demonstrations of Practical Hedgerow Management, including
 - Hedge Laying
 - Planting
 - Coppicing
 - Gapping Up
- Information and Advice on Hedgerow Management and Wildlife
- Related trade stands, including hedge plants and tools for sale
- ENFO exhibition on hedgerows – “Networks for Nature”

- **assessment to NPTC cert standard for experienced practitioners.**
(a limited number of places are available, booking is essential for these)

The Workshop should be of interest to

- Farmers and Landowners (especially those in REPS3)
- Agricultural Advisors - REPS Planners and Inspectors
- Landscapers
- Local Authority Personnel
- Foresters
- School Groups

Admission: 5 euro
