Knocknacarra
Near Knocknacarra Church*

A guided walk by a medical Herbalist around a garden with 70 medicinal herbs!

Dr. DÍlis Clare will open her herb garden to the public on Sunday 17th June 2007 from 12-6pm. This is Dr. Clare's fourth consecutive year holding the event. Last year we had a splendid turnout and a warm bright day to go with it. There will be tours of the herb garden carried out throughout the afternoon with talks about the medicinal benefits and lore connected to the herbs.

Raising funds for the Rape Crisis Fund and Tsunami building Fund.

Refreshments available
